Economic sector	150 \$	200 \$ or more
Community sector	100 \$	150 \$ or more
Individuals	20 \$	50 \$ or more

The Benefits of Partnerships

Members :

- The right to vote at the general assemblies (regular members*);
- Eligible for a seat in the organization (regular members*);
- Access to all information and documentation produced.

(* Regular Members live, work or are directly involved in the watershed.)

Financial partners :

All the benefits of Members, plus :

Partner organizations' names and/or logos will appear :

- on AGIR pour la Diable's website ;
- on promotional documents (major financial partners).

How will your Financial Partnerships' funds be used ?

- 1) Producing and communicating the state of the Diable watershed;
- 2) Coordinating a consultation table representing the opinions of the different stakeholders coexisting within the watershed ;
- 3) Producing and implementing an integrated management plan for sustainable uses of our water resources ;
- 4) Developing information and educational tools about water resources management and preservation.
