

Renew your membership today for AGIR pour la Diable

Saint-Faustin-Lac-Carré, March 2014

The AGIR team invites you to become a member

Dear all,

We would like to enjoin you to become a member of AGIR pour la Diable, now in its 9th year of existence. As a member, you actively take part in the preservation of the water resources in the watershed. In addition, you become part of a large network of members concerned with environmental stewardship in the region, which each year attracts millions of visitors.

In 2013, support our membership helped us to organize various activities such as:

- Distribution of free trees;
- Monitoring the water quality of the Diable River and its tributaries;
- Annual watershed day;
- Raising the awareness of young people on environmental protection;
- Annual canoe trip;
- Representing the interests of members on multiple boards;
- And a lot more!

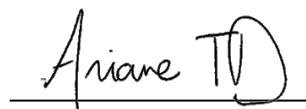

Financial support also allows us to develop projects that allow our region to stand out in terms of water resources preservation. Innovative projects have been developed, like the canoe route of the Diable river and the development of educational forest walks. It is important to note that the agency is based on a strong membership, both for its democracy to its credibility.

Together, we can help the region to become a concrete and successful example of sustainable development!

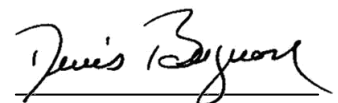

To renew your membership, see the attached document, complete the form and send it by email or by post with a cheque for the selected status (bronze, silver, gold or platinum).

We look forward to counting you among our community members in 2014!

Best regards,

Ariane Tremblay-Daoust
Director

Denis Bergeron
President

Membership form

Our water resources : a question for the future!

Please complete the following form, sign it below, then return it to us by mail or fax.

Name of the organization, business or person : _____
